Retail “Franchise” Opportunity International Brand

Brand Licensing Agreements

In the US, Eden is offering brand licensing and marketing agreements to qualified prospects who will operate retail locations under the Eden brand in key States. Licensees will undergo an extensive orientation process to best prepare them for retail operations. Through this orientation, Licensees will learn about the retail process directly from Eden’s experienced executive team. Furthermore, Eden will provide direct operational and logistical support to the Licensee to ensure the business is at its most profitable.
