

FOR SALE
\$225,000

Secure this opportunity to own a licensed dispensary in a prime area of San Francisco. This pre-operational cannabis retail storefront license in San Francisco's Outer Mission/Excelsior District. This is a near turnkey opportunity in a highly trafficked, corner-lot location with strong local demand. The facility is almost ready to open, requiring only minimal investment and final steps to become operational. With limited competition in the area and a loyal, high-income residential base, this is a prime chance to enter one of California's most coveted cannabis markets.
